# A Luxury Apartment... On The Ocean

Enjoy all the comforts of a state of the art hotel. Peaceful sound-proofed cabins all with private bathroom, individual climate control and internet connection. Discover the magic of a dinner party for 10 on deck. Relax on a leather sofa with your coffee while choosing a film for the on board cinema...

Travel comfortably while enjoying the experience of a great sailing boat. The agility and speed of a racing hull. The excitement of manoeuvring a 66 footer. A boat capable of cruising the coasts independently for weeks on end. Or crossing the ocean. Or carrying you comfortably at 11 knots on a calm afternoon...
